**Student's Prior School Enrollment**

Under Federal Legislation, the No Child Left Behind Act of 2001 (NCLB), all California public schools are required to implement a statewide accountability program that measures the progress of its students and schools. The California School Information Services (CSIS) Identifier is a ten-digit, random numeric value that is stored at the student's district so that it may be associated with that student. In order to properly assign this number, we need the student's entire enrollment history. If you have any questions regarding the CSIS Identifier Program visit the website at: [www.csis.k12.ca.us](http://www.csis.k12.ca.us)
