PICKING YOUR STUDENT UP?

Please remember that students who are picked up after school **NEED** to be picked up in the designated pick up area under the covered parking area to the south of the school. **PLEASE DO NOT GO TO THE FRONT OF THE SCHOOL.** This causes congestion and safety issues with our students who ride the bus. Thank you for your help! Together we can keep our kids safe!

LOST AND FOUND

If your child has a lost item, please come to the school and look for it in the Lost and Found basket in the hallway by the cafeteria. Please remember to always write your child's name on all clothing, backpacks and lunch boxes. All left over items will be donated to a local shelter during spring break.

Kindergarten Enrollment

Kindergarten registration has begun. We are requiring all new students to complete online enrollments.

All you need to do is:

- Go to the following links:

Spanish:

This system will replace several of our required forms that parents complete every school year. Please know that there may still be some paper copy forms that will need to be completed.

Please remember that we must have a copy of your child's birth certificate, *proof of residence, immunization record in order to enroll him/her in school.

*All of these documents must be included before an enrollment packet can be accepted. Please call 533-7626 if you have any further questions.

The new law requires that children must be 5 on or before September 1, 2022 to enroll in Kindergarten. If your child will turn 5 between Sep 2nd and Feb. 2nd, your child will be in a Transitional Kindergarten classroom.

*PG&E, water bill or mortgage/rental agreement are required as proof of residence.

School Accountability Report Card

The 2021-2022 School Accountability Report Card (SARC) is available in the school office and on the district website at www.palermoschools.org. Under

Proposition 98, California schools are required to prepare report cards annually and disseminate them to the public. The purpose of the SARC is to provide parents and the community with information about the condition of school facilities and safety, staff and curriculum, school finances, and student academic performance.
